Eligible Base Investment Expenditures

A certificate may be requested for up to four incremental portions of a project subject to an infrastructure credit agreement. Each of the requested increments must be equal to or greater than 25% of the total base investment for the project. (The request for Certificate Increment No. 4 shall be for the remainder of expenditures up to the total base investment authorized for the project not otherwise requested in Certificate Increment Nos. 1 through 3.) Provide a summary of eligible base investment expenditures for each requested certificate increment. Also, attach a detailed list of all expenditures, including cost and date acquired, proof of payment for the expenditures, and a report of the expenditures audited and certified by an independent certified public accountant licensed in the state of Michigan that the expenditures are eligible and qualify for the infrastructure credit.
